It is seen from the PSC's note above that there are other unqualified candidates, who have applied for the post in question & who are within the age limit. The PSC's view that it is not desirable to appoint Subbharat in preference to others, may perhaps be accepted.

Sir,

Subject - Regarding General vacancy No 511/43-44 of Sub-
Registrar of Births and Deaths on Rs 20/-

I have the honour to state that a General vacancy of Sub Registrar of Births and Deaths on Rs 20/- was advertised in the Mysore Gazette and five applications received in response to this advertisement, have been forwarded for disposal, by the Public Service Commissioner. Out of the five applications, the name of Y S Subbarchar bears serial number one. He has passed the S S L C Examination and undergone Senior Intermediate course. He is past twenty-nine years of age as seen from his application. He has been working in this Municipality as Telephone Attender on Rs.15/- which is classed as inferior and has put in an inferior service of nearly three years, having started his service as a Kohatarfa peon on Rs 11/- from 26th May 1941 on which date also he was 27 years of age.

As the applicant Y S Subbarchar has already been working in this Municipality and possesses the required qualification for the above post and bears serial number one in the list of applications received, a reference was made to the Public Service Commissioner, requesting to intimate whether he may be appointed exempting him from the age limit. The Public Service Commissioner has stated in his letter No 5518/PSC dated 3-5-1944 that a reference may be made to Government in the matter.

As Y S Subbarchar is already in service in this Municipality, and possesses the required qualification, I recommend that he may be appointed in the above vacancy exempting him from the age limit. The service Register of the applicant is herein enclosed.
